Dear Lola,

We're having a lovely time on holiday, but the journey here was terrible. We left late, and then there was a long delay because of a technical problem. We just sat there for hours. It was so hot because of the heat wave. It was making Neville very angry and he wanted to speak to the driver. So, we sent Neville to the dining car to calm down. We arrived at our station five hours late. We'll go by bus next time.

Love,

Judy

Her looking for him

Barbara123

I'm a busy thirty-five-year-old woman who works as a doctor at a hospital. I like to spend my free time at home with my young daughter. I'm looking for a man [40+] who would like a family. If he has children of his own, that's okay. I enjoy running every morning and I play tennis. I'm looking for someone who has a job he likes and enjoys having fun at the weekend. I don't like parties and going out so much; I prefer spending time with my family. It would be great to do that with someone else.
